Bathroom Safety Check List

- ___ Install at least 1 (preferably 2) grab bars in the shower or bath
- ___ Check existing bars for strength and stability, and repair if necessary
- ___ Attach grab bars, through the tile, to structural supports in the wall, or install bars specifically designed to attach to the sides of the bathtub. Get a qualified professional to install if necessary
- ___ Remove any slippery rugs and/or use non-skid mats in the tub or shower, and on the bathroom floor
- ___ Apply textured strips on the floors of the tubs or showers
- ___ Use a stool with non-skid tips as a seat while showering or bathing, if you are unsteady on your feet
- ___ Install hand held shower nozzle
- ___ Replace glass shower doors with unbreakable plastic
- ___ Install grab bars, safety frame, and/or raised seat with armrests on or near toilet
- ___ Remove and/or replace bathroom accessories and decors that are breakable (i.e. cup and soap holders, drinking glasses, etc.)
- ___ Lock up razor blades, sharp objects, and store away electrical devices
- ___ Make certain that light switches, outlets and toilet paper are always accessible
- ___ Install a night light or consider replacing the existing switch with a "glow switch"

Bath Safety Solutions

As we age, falls can be quite serious. In fact, at least 1/3 of all seniors experience a fall every year. Four out of five falls occur in the bathroom which result in fractures.

CVS Bathroom Safety Solutions will provide improvements to make you and your loved ones bathrooms safe and secure.

Clamp on Tub Rail

- Durable, white powder-coated steel construction is attractive and easy-to-clean, and fits most tubs
- 14" - 17" Height adjustment and 3" - 7" width
- Handle design provides secure hand position
- Stainless steel locking mechanism and non-wearing rubber pads provide scratch-proof security

Raised Toilet Seat

- Designed for individuals who have difficulty sitting down, or getting up from the toilet
- Lightweight and portable
- Easily attaches to most toilet bowls
- No tools required for installation
- Easy-to-clean

3-Piece Bath Safety Kit

- Ideal for reducing the risk of accidents in the bathroom
- Can be used for individuals suffering from arthritis, osteoporosis and post surgical procedures
- Essential for post operative knee or hip surgery
