The OTC Health Solutions App in store

The OTC Health Solutions App makes it more convenient and quick to ring up items at a store. It is as easy as 1, 2, 3.

• Approved items

• Non-approved items

1. Scan or enter the items' barcode inside of the store to confirm if it is approved.

2. Show the cashier your digital barcode for faster check out.

3. After every order you can check your remaining balance and additional FAQs.

Three convenient ways to place an order.

#1 In Store:

How to use OTCHS (OTC Health Solutions) in store:

- Visit a CVS Pharmacy® store (excluding Target, Schnucks and select other CVS Pharmacy® locations).
- Find approved items. Only the items in this catalog are available to order.
- Look for the “OTC” indicator and review the SKU number to check if the item qualifies. Items can be found in the OTCHS section, throughout the aisles. You can also use the OTC Health Solutions App to scan the item’s label to confirm if it is approved.
- Go to any register to check out and give the cashier your first name, last name, and date of birth or present the cashier with your bar code in the OTC Health Solutions App.

Visit your nearest CVS Pharmacy store.

PLEASE NOTE: The regular retail price in the store may vary. For prices that apply when you use the program, please consult this catalog. Catalog prices cannot be combined with promotional offers or ExtraBucks® Rewards. Not all products will be carried in all CVS® stores.

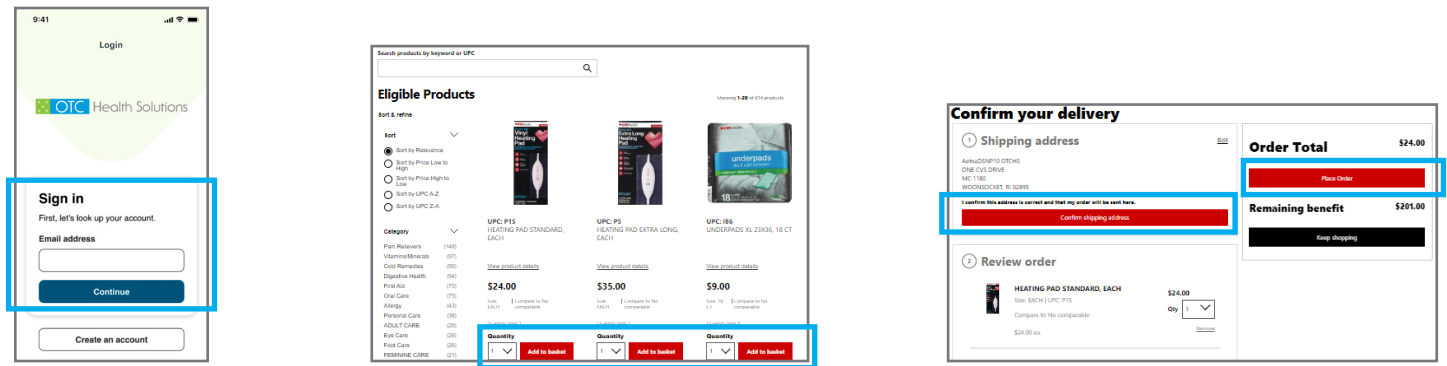

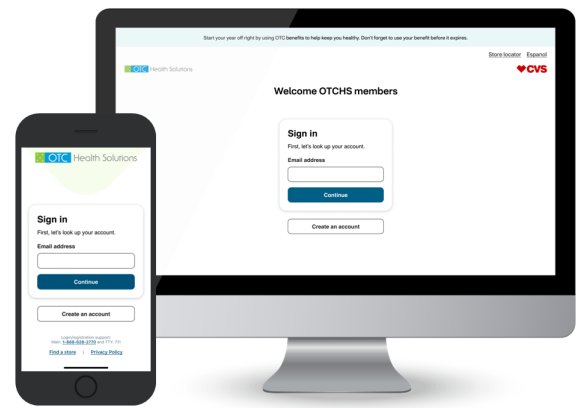

#2 Online:

If it is your first time placing an order online, you will need to create an account. If a member shares an email address with a spouse or caregiver who also has an OTC account, they will only be able to make one account.

How to place an order online:

- Search for the OTCHS website:
<https://www.cvs.com/otchs/myotc>.
- After you sign in, your benefit amount and balance will show. Select the benefit you would like to shop for.
- Search through the available items and add to your basket. Your total and balance will be shown. Once you are ready to place your order, select “Checkout”.
- Confirm the shipping information and then select “Place Order”.
- You will be directed to the Order Summary. This page will show you the order number, shipping address, the date the order was processed, and the delivery timeframe.

You will receive emails with the latest status updates as your order is processing.

Sign in to your account.

Browse through the items and add to your basket.

Confirm shipping information and place your order.

The Order Summary page will appear. This will allow you to see the order number, shipping address, date of the order, and delivery timeframe.

IMPORTANT: Orders for each benefit period must be placed by 11:59 PM ET of the last day of the benefit period. Orders can only be cancelled within 30 minutes after being processed. You can order once a quarter online but you can use your remaining balance in store. Please review the order frequency limits located in the FAQs to avoid missing benefit amounts.

#3 By Phone:

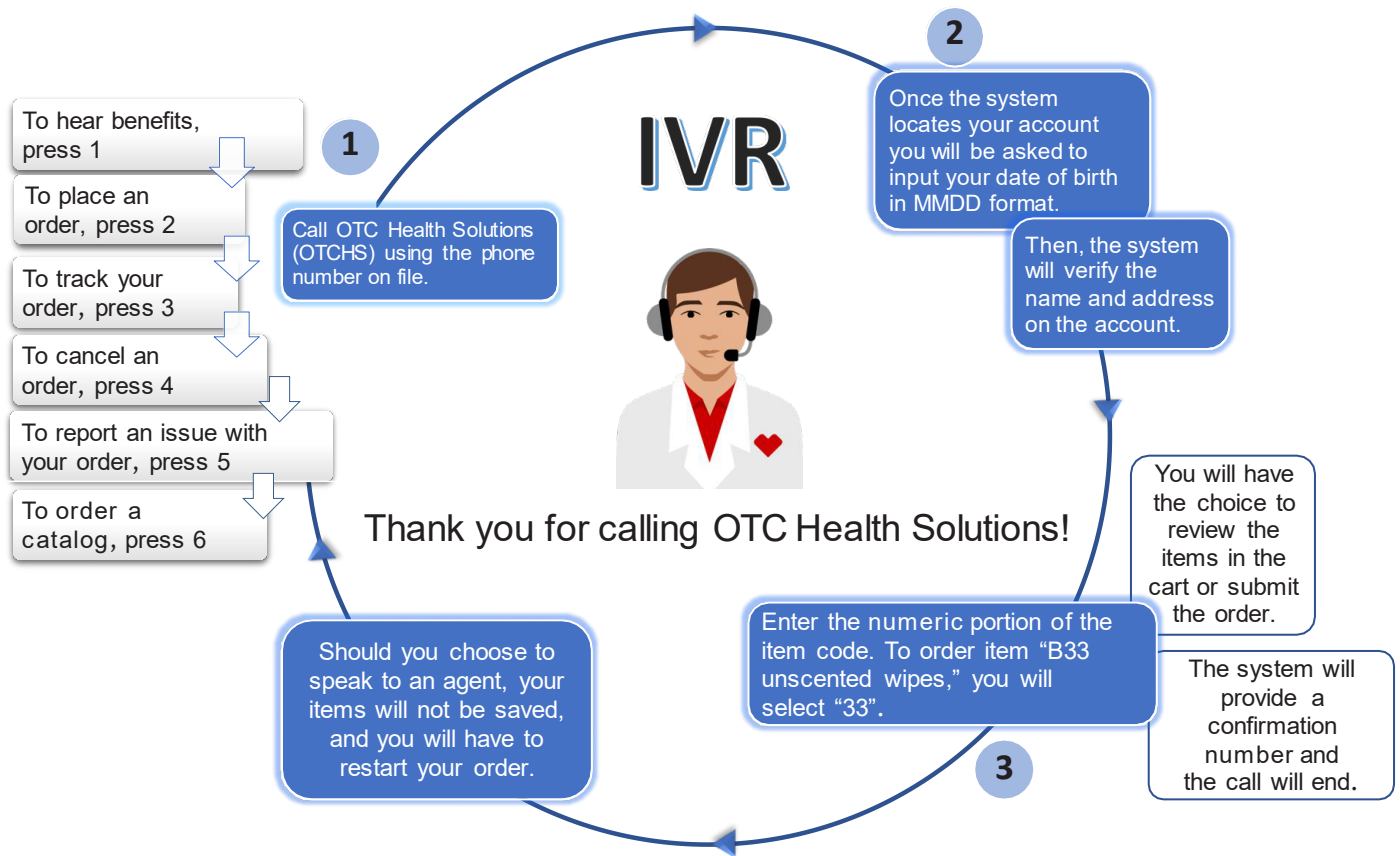

Orders can be placed by calling **1-888-628-2770 (TTY: 711)**. You can talk to an agent Monday to Friday, from 9 AM to 8 PM local time. Please have your order ready before you call.

How to place an order by phone (IVR system):

- Call OTCHS using the phone number on file. The phone number on file is provided to OTCHS by your health plan. If you wish to use a different number to order through the IVR system, you can provide the alternative number to an OTCHS agent so it can be added to your account.
- Please enter the number of the item code.

Example: If you want to order item “B33” you will enter “33” and wait for the system to repeat the item. The system will read back the item name, quantity, and ask if the selection is correct. Please let the system finish the prompt before you make your selection.

- Once the order is complete, you will have the choice to review and edit the items in the cart, submit the order, or speak to an agent. Should you choose to speak to an agent, your items will not be saved and you will have to restart your order. Online ordering is limited to the available balance at the time of purchase.

RETURN POLICY: Due to the personal nature of the products, no returns or exchanges are allowed. If you haven't received your order or if you received a defective or damaged item, please call OTC Health Solutions within 30 days of placing your order.

- If your item is not in stock, an item of similar or greater value may be substituted in your order.

Frequently asked questions:

Where can I find my member ID number?

It can be found on the front of your health plan ID card or on your digital ID card. Refer to page 8 for additional instructions on how to locate it.

What is the Over-the-Counter (OTC) benefit?

The benefit lets you get over-the-counter items by going to any allowed stores. You can also order by phone at **1-888-628-2770 (TTY: 711)** Monday to Friday, from 9 AM to 8 PM local time or online at <https://www.cvs.com/otchs/myotc>. You order from a list of approved items, and it will be sent to your address.

How much is my OTC benefit?

The amount depends on your benefit plan. Check your plan documents or call OTC Health Solutions at **1-888-628-2770 (TTY: 711)**.

How often can I use my OTC benefit?

Your OTC benefit can be used once throughout the quarter if you order by phone or online. However, you can use your benefit unlimited times at any OTCHS-enabled CVS Pharmacy during the quarter. Quarterly benefit periods are distributed as follows:

- Quarter 1 (January, February and March)
- Quarter 2 (April, May and June)
- Quarter 3 (July, August and September)
- Quarter 4 (October, November and December)

Note: Online or telephonic orders are limited to one per quarter.

Can I carry over unused allowance amount to the next period?

Any unused portion of the quarterly benefit may be used during the quarter; however, if the unused portion is not used during that quarter, it will expire.

Can I order more than my benefit amount?

You can't order more than your benefit amount online or by phone. However, you may go over your benefit amount at any allowed CVS Pharmacy® store and pay the difference out of pocket.

Are all items available at the stores?

Not all eligible items are available in stores. Items marked with a “☐” in the catalog can only be ordered over the phone or online.

Is there a limit on the number of items I can order?

There is no limit on the number of items you may order. You can order up to nine of the same item, per quarter. There are some items that have special limits. These are marked with a “★” or “■” in the catalog.

How long will it take to receive my order?
