Please keep this valuable booklet nearby. You'll need it to look up the OTC items you want to order. It also contains step-by-step instructions on how to order online, by phone or use your OTC benefits in store.

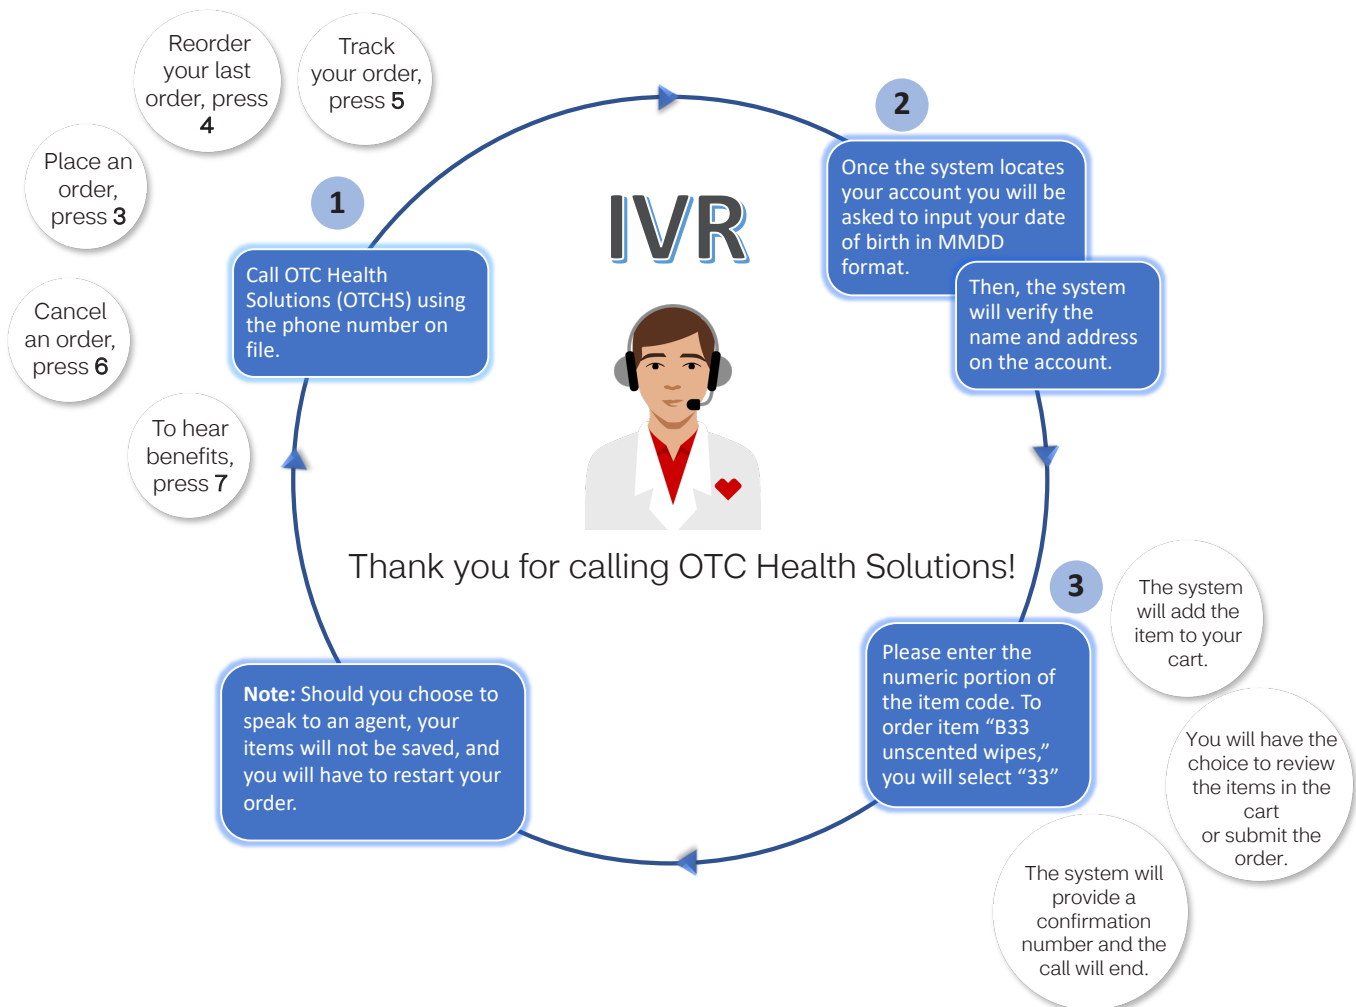

#2 By Phone:

Orders can be placed by calling **1-888-628-2770 (TTY: 711)**, Monday to Friday, from 9 AM to 8 PM local time. Please have your ID and order ready before you call.

How to place an order by phone (IVR system):

- Call OTCHS using the phone number on file. Please note, the phone number on file is provided to OTCHS by your health plan. If you wish to use a different number to order through the IVR system, you can provide the alternative number to an OTCHS agent so it can be added to your account.
- When prompted, enter the numerical portion of the item code.
Example: If you would like to order item “B33” you will select “33” and wait for the prompt to confirm the item information and ask if the selection is correct. Please allow the system to complete the statement before making your selection.
- Once the order is complete, you will have the choice to review and edit the items in the cart, submit the order, or speak to an agent. Should you choose to speak to an agent, your items will not be saved and you will have to restart your order.

RETURN POLICY: Due to the personal nature of the products, no returns or exchanges are allowed. If you haven't received your order or if you received a defective or damaged item, please call OTC Health Solutions within 30 days of placing your order.

- If your item is not in stock, an item of similar or greater value may be substituted in your order.

#3 Online:

If it is your first time placing an order online, you will need to create an account. If a member shares an email address with a spouse or caregiver who also has an OTC account, they will only be able to register one account.

How to place an order online:

- Search for the OTCHS website for your health plan: <https://www.cvs.com/otchs/abhmd>.
- Once you sign in, your benefit amount and balance will be displayed at the top of the page.
- Browse through the items and add to your basket. Your order total will automatically deduct from your balance at the top of the page. Once you are ready to place your order, choose "Checkout".
- Confirm the shipping information and then choose "Place Order".
- You will be directed to the Order Summary which includes the order number, address to which order will be shipped, the date the order was processed, and the delivery timeframe.

You will receive email notifications with the latest status updates as your order is being processed.
