

Heart Health Screening Voucher*

This voucher is redeemable for one heart health screening conducted at any MinuteClinic® beginning February 1, 2023, while supplies last.

Health screening includes cholesterol test, blood pressure check, blood glucose (or A1c for diabetics) test and body mass index. This screening should not replace your annual wellness physical. Patients 18 years of age and older are eligible to receive this screening. This voucher only covers in-person visits at MinuteClinic and is not applicable to a MinuteClinic Virtual Care™ visit.

Before you arrive:

- [Schedule a heart health screening at your local MinuteClinic online at MinuteClinic.com](#) or walk in to schedule the next available appointment
- Fasting for 8 to 12 hours before your screening is recommended for best results
- Print a copy of this voucher and bring it with you to MinuteClinic. If you are unable to print a copy, show the voucher on your mobile phone. See below for further instructions
