

Our Services

Expert Advice

Ask the pharmacist about your prescriptions, managing side effects, and over-the-counter medications. Plus, we can help you with Medicare Part D and other insurance questions.

Nationwide Network

With over 6,900 stores across the US, you're never far away from a CVS/pharmacy.

Access

Drive-thru convenience and 24-hour stores at many locations.

ReadyFill®

We can make your life easier with automatic refills and a reminder call.

CVS.com®

Prescription refills, history, and transfers, as well as access to health tips and advice—all at your fingertips.

Medication Check

We can check for potential interactions between all of your medications when you fill all your prescriptions with us.

Value

Save with generics, Health Savings Pass and ExtraCare® rewards.

FLAVORx®

Choose your favorite flavor and get the medicine down easier.

MinuteClinic®

Board-certified practitioners offer quick, convenient health care in over 500 locations in 24 states. No appointment necessary. Open 7 days a week.
